To my loyal customers and fellow business owners:

My current job as master baker at Breakfast in the Park in Huntington Beach, CA will be ending later this summer in early September. The restaurant's owner is retiring and will be closing her establishment.

In the interest of pursuing my passion for baking I am searching for a new location that will allow me to continue my love of creating and baking. At the same time I would like to provide a business owner with someone who has mastered the art of baking, excellent customer service, and a belief in team work.

My most recent accomplishments include successfully co-owned, managed and ran a restaurant/bakery overseeing 10 employees and 2 chefs. Prior to my joint venture restaurant I helped manage and run my fathers legendary restaurant called The End Café, located at the end of the Huntington Beach pier.

I have more than 27 years of experience in specialty baking. I have the ability and knowledge to operate various sized mixers, a thorough understanding of mixing and creaming methods, and a detailed knowledge of bread production.

I have developed multiple "secret/special recipes" for cinnamon rolls, various types of muffins, cookies, brownies and breads.

I have experience in training new people to become knowledgeable in correct baking methods.

I value and practice excellent customer service skills, team work skills, and I am passionate about doing the job right.

I will work hard to achieve results and look forward to showing you how I can contribute to your bakery and business future success. I can be reached at the above email address and phone number.

Professional resume available upon request.

Thank you,

Mary Beth Gustafson
